

To All Swim Team Parents,

May 2011

A swim meet requires a great deal of effort by many volunteers. Please indicate by a check at least 7 jobs that you or your spouse is willing to do. From these jobs, please choose at least 4 service jobs (jobs above the black line). To ensure that you get your choices, return this sheet as soon as possible; these jobs will be assigned on a first-come, first-served basis. Your job assignments will be in your card slot at the swim club. Please check your box before Time Trials. If you do not return this sheet, you will be asked to fill whatever jobs are remaining. Thank you!
